MEMORANDUM FOR THE RECORD

FROM : F. W. M. Janney  
Director of Personnel

SUBJECT: [REDACTED]

25X1A

1. I talked with Mr. [REDACTED] on the 15th and informed him that he was off administrative leave as of tomorrow and would return to OEL. He expressed great relief. I cautioned him that the investigation of the case in which he had been involved was continuing and, should anything else turn up with regard to his participation, he could expect to hear about it.

2. Following a conversation with the Deputy Director for Administration subsequently, I called [REDACTED] back in Thursday morning, the 16th, and told him that the plans had been changed somewhat and he would now report to OD&E. I added that I wanted him to understand clearly that when the total case is resolved, there will be some disciplinary action involving him and that the extent of this cannot be determined until completion of the case. I said that at the absolute minimum, he would receive a letter of reprimand.
